

NAME: ERICK WAMBUGU

NUMBER: DA3452

WEEK 4

ASSIGNMENT:

The image shows a screenshot of a web page titled "Assignment". It includes a logo for BeTechified, a list of instructions, and a small icon of a person holding a question mark.

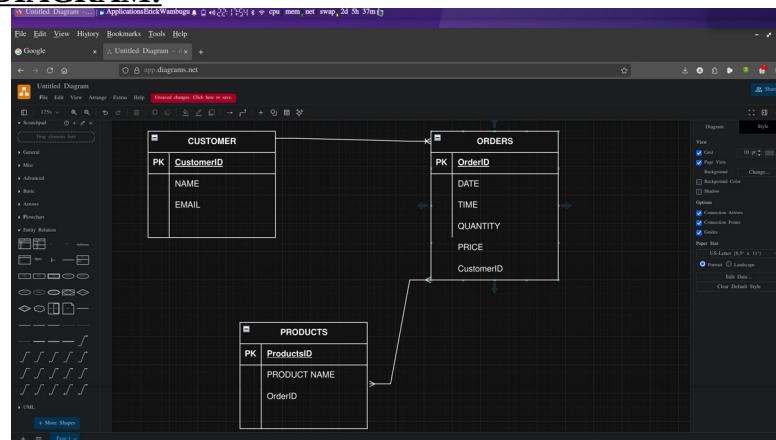

Assignment

Instruction: Submit your ER diagram in a PDF document

- Create 3 related tables: Customers, Orders, Products
- Identify primary and foreign keys
- Draw an ER diagram using Draw.io

ANSWER: ERD DIAGRAM:

ENTITIES = CUSTOMER , ORDERS, PRODUCTS

	CUSTOMER	ORDERS	PRODUCTS
▪ Primary Key	CustomerID	OrderID	ProductID
▪ Foreign Key	-	CustomerID	OrderID

Relationships .

Customer >>> Orders 1 to Many
Orders >>> Products Many to Many
